

Double Dagger

US3R298674	11-OCT-20_11:37:04	No.70441	You have to stop thinking of Britain as a country. It hasn't been for over twenty years. It's a patch of mud off the north west corner of Europe, which is being used as a processing station for people in transit. Once you see it in those terms, it all makes sense.
